

E-mail server

2008.10.21

Our new email server is on line! Including virus scanning and advanced spam filtering, we are now able to offer 1GB of storage to our customers with any of our service plans.

You can log in to our webmail by clicking on the link on the top, or left hand side of the page. Please note that the usernames have changed to include your whole email address.

For example: If your old user id was username, it will now be username@staffcomm.com

If you are having difficulties logging in, please contact us.
